Perfecting Your Pitch
Showcase Dinner Event

A program for teams of science and technology entrepreneurs from APEC economies, especially those that support women and/or vulnerable communities.

The GIST Startup Training empowers young science and technology innovators and entrepreneurs through on-the-ground instruction and mentoring delivered by top U.S. mentors and international partners. The GIST APEC Startup Training is part of a suite of events taking place in Brisbane alongside a meeting of the APEC Chief Science Advisors and Equivalents.
