FORESTRY COMPLEX FOYER PLAN

" Furniture must have a personality as well as be beautiful "
 - Rose Tarlow

Date: 13 December 2016 (Tuesday)

Time: 8.30 am

Venue: Forestry Complex, Faculty of Science and Natural Resources, UMS

Organised by: Wood Technology and Industry Programme (HY11)

MINI FURNITURE FAIR

This is the first furniture fair to be held in UMS which will be conducted by forestry 3rd year undergraduate students pursuing HY11-Wood Technology and Industry programme. The purpose of this event is to expose the students to wood-based products and the furniture industry. In this fair, we display and sell products made by our own students. The main product in this fair is the kids furniture (one unit table and two units of chairs) which has a total of 12 sets of various shapes and designs.

ROUTER DEMONSTRATION

Wood routing demonstration using router will be shown by the students. You also can try to handle and use the machine. The router is most commonly used as a plunging tool, with certain techniques to handle it. Various design can be created. Come and try.

FINISHING DEMONSTRATION

In this slot, you will be introduced to different types of finishing that are commonly applied on wood products. You can try the wood finishing while students give explanation about the uses of each finishing tools/materials.

KEYCHAIN COLOURING COMPETITION

We provide a kids corner for colouring keychain competition which will be held during the event. No fee required and good prizes are awaiting you. There will be 2 categories:

- kids (4-12 years old)
- open (age 13 and above)

CHAINSAW-MASTER COMPETITION

Chainsaw-master competition will also be held. Each contestant must cut the thinnest disc from log in a given time. Through this contest, you will indirectly know how to handle the chainsaw. Interesting prizes are awaiting. Come and be part of this competition.
