Dear Prof. Datuk Dr. Kasim,

The Borneo Rainforest Law Conference 2024
 26th- 28th February 2024
 Sabah International Convention Centre
 Kota Kinabalu, Sabah, Malaysia

It is my very considerable pleasure to write on behalf of the Commonwealth Lawyers' Association (The CLA) to confirm that the Borneo Rainforest Law Conference 2024 will take place in Kota Kinabalu between 26th-28th February 2024.

The CLA is delighted to partner with Sabah Law Society to co-host this three-day event, where the international and regional legal community will meet to discuss a range of issues under the overarching conference theme of environmental law, nature-based solutions, climate justice, human rights, funding, constitutionalism and action within legal and governmental frameworks.

The CLA is a non-profit association of lawyers from across the Commonwealth and exists to maintain and promote the Rule of Law throughout the Commonwealth by ensuring that an independent and efficient legal profession, with the highest standards of ethics and integrity, serves the people of the Commonwealth.

On behalf of myself, the Commonwealth Lawyers Association Council and Sabah Law Society, we would be honoured if you and your members would join us at the conference. To this end, we would greatly appreciate you circulating details of the conference to your members. We would value your contribution to our deliberations which are of a comparative nature, and we would welcome your perspective and experience as we explore the range of conference themes in a regional framework.

I attach a conference flyer, noting that colleagues from Sabah are offered a discounted registration rate. The conference website is <https://eur.cvent.me/BPoG1?RefId=BorneoRainforest>

A stellar international speaking faculty will share best practice and learning from their jurisdictions, and I hope that you will join us share our comparative discussions. I will nurse an aspiration that our paths might cross in Borneo.

Yours sincerely,

Brian H Speers
 Chair, Papers Committee
